EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Thomas Kowalski on 27 Sep. 2004.

The application has been amended as follows:
in claim 9, in line 11, - - one - -, has been inserted after "least".

The following is an examiner's statement of reasons for allowance:

none of the prior art of record discloses or suggests a light guide comprising in part the combination of the following:

a bundle of a large number of optical fibers, and emitting illumination light guided by the optical fibers from a light emission end face, wherein

an amount of light emitted from a central region in the light emission end face is relatively small in comparison with an amount of light emitted from a peripheral region in the light emission end face,

wherein a mask for partially or completely shielding light emitted from the central region in the light emission end face is provided near the light emission end face.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably
